#### Annex D1 – General procurement

Justification for the award of the contract without prior publication of a call for competition in the Official Journal of the European Union

Directive 2014/24/EU

(please select the relevant option and provide an explanation)

 1. Justification for the choice of the negotiated procedure without prior publication of a call for competition in accordance with Article 32 of Directive 2014/24/EU

□ No tenders or no suitable tenders/requests to participate in response to:

- open procedure
- restricted procedure

□ The products involved are manufactured purely for the purpose of research, experiment, study or development under the conditions stated in the directive (for supplies only):

The works, supplies or services can be provided only by a particular economic operator for the following reason:

- absence of competition for technical reasons
- procurement aiming at the creation or acquisition of a unique work of art or artistic performance
- protection of exclusive rights, including intellectual property rights
- Extreme urgency brought about by events unforeseeable for the contracting authority and in accordance with the strict conditions stated in the directive:
- □ Additional deliveries by the original supplier ordered under the strict conditions stated in the directive:
- □ New works/services, constituting a repetition of existing works/services and ordered in accordance with the strict conditio stated in the directive:
- □ Service contract to be awarded to the winner or one of winners under the rules of a design contest:
- □ Procurement of supplies quoted and purchased on a commodity market:
- □ Purchase of supplies or services on particularly advantageous terms:
  - from a supplier which is definitively winding up its business activities
  - from the liquidator in an insolvency procedure, an arrangement with creditors or a similar procedure under national laws and regulations
- 2. Other justification for the award of the contract without prior publication of a call for competition in the Official Journal of the European Union
  - The procurement falls outside the scope of application of the directive:
